(File photo) TORONTO – Grant Morrison is no stranger to New York. The Scottish writer has been a part of the city's comic book scene for over two decades – a feat that has been recognized when the New York Public Library named him one of its "1000 Great Books for a New Generation". While many may know him as the co-creator and head writer of the critically-acclaimed series "The Invisibles", the writer has already shown his versatility as he's moved on from comics to one of the world's most successful pen and paper role playing games, "Dungeons & Dragons." This year, he's been working on the new "Death of Superman" storyline for the DC comics universe as well as writing several other characters and teams for the "Doom Patrol", "Animal Man", "Batman," "Flash" and " 1cb139a0ed
