How To SpeederXP 2.63 Crack Serial Key.. Set up..SpeederXP Pro Crack with License Key UTorrent Pro 36.14 Crack SpeederXP 2015 2017. SpeederXP Pro.. by Methodology Too. .1. Field of the Invention The present invention relates to a data transfer apparatus and method for transferring data between a plurality of storage mediums. 2. Description of the Related Art There is a conventional data transfer apparatus between a plurality of storage mediums that is described in Japanese Unexamined Patent Publication No. 2004-193078 (patent document 1). This data transfer apparatus transfers data between a plurality of hard disks (HDDs) connected to a single server as an external storage system. This data transfer apparatus recognizes, using a different format from the HDDs connected to the server, the load of a plurality of hard disks connected to the server. Then, in response to the recognized load, the data transfer apparatus determines, based on the load, the speed of transferring data. If the data to be transferred has a large size, the data transfer rate is changed from a first transfer rate to a second transfer rate lower than the first transfer rate. Then, the data transfer apparatus transmits the data at the second transfer rate. Thus, according to the conventional data transfer apparatus, the data transfer rate can be controlled based on the load of HDDs to be used, and thus the data transfer performance of the HDDs connected to the server can be improved. If the data transfer apparatus transfers data from a plurality of storage mediums, the unit of data transfer is a sector. Thus, in order to transfer data between a plurality of storage medium
