Igo Primo V9.6.7.235654 Torrents Download - Fix

Download

February 24, 2013 - I installed iGO Primo (800x480, 480x800) on Samsung Nexus S. It's OK, but the screen is a bit off screen. ##August 31, 2012 - iGO Primo is currently unrivaled in GPS positioning. The interface itself is very pleasing to the eye, and the information is easily perceived. In addition, I can boast that in my region (Bulgaria) iGO Primo is the only one that offers traffic information. For those who are looking, I recommend using iGO Primo does not work as a navigator in Windows CE (Win7). I recommend that anyone who wants to use iGO Primo on a Samsung Nexus S download and install WinCE.exe from the manufacturer's website.
