Can I really be this busy, and will my savings last the longest, living a more balanced life? "Hope is a good sign, while fear is a bad sign." He knew all about his child: his deep love, his seeming clumsiness, his delays in walking and talking and learning to play. He knew when one of his children called or sent him a text message: how he longed for their loving friendship, the time they shared together. He knew that he was paid less than he'd been paid as a college professor; that he'd lost his job the year before; and that his passion was writing, which wasn't profitable. He knew of the poet who'd deserted his family in Australia and had nothing to do except hope that the woman he loved would someday marry him. He knew the difficulty of staying in this state of hope when the world was calling. He knew all that well. He chose to stay hopeful. And in choosing to hope, he chose to follow a different path than that taken by the poet. The poet thought he'd imagined his future while looking ahead. He did not. He'd seen it in detail, in vivid detail. He simply didn't believe his bad choices would lead to good consequences. But he was wrong. He was wrong about the woman, wrong about his abandoned family, wrong about his job, wrong about the safety of the path he chose to follow. And although he can't go back and change his actions, he f988f36e3a
